FACTS ABOUT BAYLOR

Founded in 1845 under the motto, "Pro Ecclesia, Pro Texana" (for church, for state), Baylor is Texas' oldest university in continuous existence. It was named after Judge Robert Emmet Bledsoe Baylor, supreme court justice of the Republic of Texas, a Kentucky native who was a veteran of the War of 1812 and member of the Kentucky Legislature before moving to Texas. Judge Baylor founded his university along with the Rev.

Judge Abner V. McCall
President

James E. Huckins, native of New Hampshire who became principal of the first public school to be opened in Texas at Galveston; and the Rev. William M. Tryon, native of New York City who became chaplain of the Congress of the Republic of Texas.

These three men had a dream that came true—to establish a Baptist university where their children would be well-educated in a Christian tradition.

Today, Baylor is owned by the Baptist General Convention of Texas, and, of its 8,000-plus students, about 65 per cent are Baptists. It is located off IH 35 on the banks of the Brazos River in Waco, a city of about 100,000 persons in Central Texas, about half the distance between Fort Worth-Dallas and Austin.

Baylor offers about 35 degree programs with over 50 major areas of concentration.

The Baylor student may study in any one of six schools: business, education, graduate, law, music and nursing; or in the College of Arts and Sciences. The Baylor University system includes the Baylor Medical Center in Dallas and graduate and undergraduate allied health sciences programs under the auspices of the Baylor-U.S. Army Academy of Health Sciences affiliation in San Antonio.

The University's academic program is enhanced by such extras as the Armstrong Browning Library, which houses an internationally famous collection of materials relating to the works of Robert and Elizabeth Barrett Browning; The Texas Collection, one of the largest collections of materials relating to Texas subjects in existence; the John K. Strecker Museum of natural history, with continuous exhibitions concerning several areas of the sciences; and the Moody Memorial Library, with more than 600,000 volumes.

About 100 student organizations offer the Baylorite opportunities to get involved in service, social, religious, professional and honorary activities.

Sports at Baylor thrive. As a charter member of the Southwest Conference, the Bears play exciting football in Baylor Stadium. Also offered are basketball, track, baseball, tennis, swimming, golf and others. New to the Baylor scene is the Baylor Recreation Center on the banks of the Brazos River, which features a marina offering all kinds of water sports and an outdoor swimming pool.

Baylor is proud to provide a fine education at a reasonable cost.

THE OUTLOOK . . . SOME 'UNSOLVED OPPORTUNITIES'

"No experience at quarterback, very little experience at linebacker, virtually a new offensive line, no experience at defensive end and over half of our defensive secondary gone."

Sounds bleak for the Baylor Bears in 1977, doesn't it?

Let's ask the man, himself, for the answer.

Coach Grant Teaff, beginning his sixth season as the head coach at Baylor University, says: "Before you take out the Kleenex and dab your eyes, let me explain that although we have some problems in the area of experience, those problems could be solved rather quickly as the type of experience that this young ball club is going to get will be about the best one could get. We open with Southwest Conference co-champion Texas Tech, then play Kentucky, one of the outstanding teams in the nation, to be followed by Nebraska, then co-champion and Cotton Bowl victor Houston, then S.M.U. and Texas A&M, which in my opinion is one of the best teams in the nation.

"So there you have it—through six ball games these young guys can get all the experience they need. We are not void of talent, and this team will play well. They will make mistakes, but they will do it aggressively and we are going to be proud of them."

Teaff has 27 lettermen returning from last year's team that posted a 7-3-1 record and wound up at home when the bowls capitulated to signing before the Bruins finished the season. Back are five defensive starters (counting both Ron Burns and Tony Green at the rover position they shared) and five offensive starters.

Top stars returning include last year's second team AP All-America noseguard Gary Don Johnson and the rejuvenated Burns at safety on defense; Tailback Gary Blair who took over for the injured Cleve Franklin and rambled for 857 yards last season, All-SWC and All-America candidate offensive guard Jon Kramer (whom Teaff says should be one of the best around), and All-America candidate Tight End Ronnie Lee, whose 4.7 speed and crushing blocking ability give added meaning to his 6-5, 255-pound frame. Lee caught only nine passes last season, but Teaff says that has been corrected and one can expect more offensive action from Lee in 1977.

Another sure headliner is split end Tommy Davidson, the kid who is "too little and too slow" for major college ball. Davidson snared 45 passes for 559 yards, four touchdowns and one extra point as a junior and owns the best pair of hands in the conference.

Greg Hawthorne is another plus factor in the offensive plans. He's got blazing speed, good hands and plenty of motion. Teaff looked at him at fullback in the spring and saw quickly that Hawthorne could play both positions with credit.

The offensive line has the potential to be good, but it will have to develop. Graduation took the toll with pro signees Mark Grayless, Rell Tipton, Gary Gregory and Billy Clements bowing out. Kramer, along with veteran David Sledge at the other guard, will team up with some outstanding newcomers, tackles Arland Thompson, Brent Jones, Mark Moore and JC transfer Greg Zulkowski, along with Billy Glass, Andy Hazlewood and Rhea Laws for depth.

The danger spot is at center, a problem that plagued Teaff & Co. last season. Ron Barnes, scheduled to start in the opener against Houston, broke his leg the Thursday before the game and was lost for the year. Freshman Arland Thompson made a big move to center and started the first five games. Veteran Billy Clements then took over and started the rest of the season. This time Barnes missed spring training because of the mending process on the leg and squadman Gary Helzer was the No. 1 man.

Now for the big question . . . quarterback. Sammy Bickham, a brilliant soph, is the only man returning who played a down in 1976 and he played sparingly, completing four of 14 for 86 yards including a bomb TD against Texas Tech. Another multi-talented soph, Greg Wood of Jackson, Tenn., won the No. 1 spot in spring

training while Bickham was toiling successfully for the Baylor baseball team. That's the top pair with veteran redshirt Marty Mikkelsen and incoming freshman Scott Smith of Dallas Highland Park in the chase. Teaff has never started the season without a veteran QB, but you've got to go with what you have, and he has talent, albeit no experience at the position.

On the defensive side of the ledger, Baylor could come up with its best front line since Teaff has been at the school. You start with the giant Johnson at noseguard, put co-captain Gary Hutchison at one tackle and burly James Rowell at the other and you've got a good start. Hutchison was one of the most improved players on the squad in the spring and was a starter last year. Rowell played extremely well for a freshman last season and has all the tools. Tom Caldwell and Thomas Brown also figure heavily at down lineman.

The problem areas on defense are at the ends and linebackers hit hard by graduation. Gone are linebackers Tim Black, Johnny Slaughter and Shane Nelson, leaving only stumpy Jerry Harrison with any experience.

Defensive end is in good shape—if. Veterans Ricky Rand (hurt most of last year) and five-year man Allan Stone can do the job well if their health permits. Ron Eikenberg and Russell Slicker are in the wings to challenge for starting honors, but newcomers will get a chance to do their stuff early and earn playing time.

The secondary, headed by the hard-hitting and speedy Burns at safety, should be another good one. Tony Green has experience and ability at the rover slot and Scooter Reed, Steve Brothers, and Howard Fields have the ingredients for stardom . . . speed, jumping ability and bone-crushing tackling.

Five bowl teams are on the schedule for the Bears this fall. Houston (Cotton Bowl), Kentucky (Peach Bowl), Texas A&M (Sun Bowl), Nebraska (Astro-Bluebonnet) and Texas Tech (Astro-Bluebonnet) should give the young Bears plenty of early chances to mature and improve.

As Teaff says, this Baylor team of 1977 will be young, relatively untested, and they will make some mistakes. But, they will be mistakes of aggression and exuberance and this team should be a pleasure to watch.

COACH GRANT TEAFF LOOKS AT THE BEARS

QUARTERBACKS: When the dust cleared at the end of spring practice, Greg Wood from Jackson, Miss., had emerged as the number one quarterback for the Baylor Bears. Sammy Bickham, another freshman, who spent the spring pitching for the Baylor baseball team, will compete for the number one spot in August and early September. I expect it to be a good battle, and both of these young men have certain attributes that are distinctive. Jumping into a contest where experience is almost nil, we find outstanding high school quarterback Scott Smith from Dallas Highland Park and squadman, Marty Mikkelsen. This foursome has an awesome responsibility in directing the Bears' offense for 1977. Since I took over in 1972, we have never had an inexperienced quarterback as our starting quarterback for the year. Whoever wins the battle this year will be inexperienced, but I have tremendous confidence in these young men and believe that they have some outstanding qualities that will eventually direct them to success.

TAILBACK: Gary Blair emerged from his backup position behind Cleveland Franklin in 1976 to become our leading rusher for 1976. Cleve was injured prior to the first game and never really recovered, and Gary carried the load for the team. I expect him to have another outstanding year and go over the thousand yard mark. He is backed up by David Seaborn, Tony Laws and Frank Pollard. Seaborn is recovering from a knee injury and is expected to be at full speed as we begin the fall. Frank Pollard and Anthony Laws both improved vastly over the spring, and I would feel comfortable using either one of them.

FULLBACK: A year ago on these same pages, I said that if Steve Howell learned to use his 225 pounds properly, he could be truly outstanding. Steve Howell catches on quick, because he has learned much during the last year; he is rapidly becoming a complete football player, and I truly have great expectations of this fine young athlete. Ernest Lynch was hurt when he arrived on campus last August, and his freshman year was little more than recovery from that injury. He had a stress fracture of his lower right leg, so college football was virtually new to Ernest this spring. I looked at him for one week at linebacker, and then I determined that his best position was at fullback, and that is where he will remain. He has good size, good quickness and is a very intense young man. We took a look at Greg Hawthorne at fullback this spring, and we were very pleased with the results. Greg weighs 220 lbs., 4.5 speed, and is an exceptionally gifted athlete. The only offensive experience that Greg had in high school was playing some tight end his senior year. We have played him at wingback for two years now, and he has improved immensely in his running ability. I feel good knowing that Greg can play both running back and wingback. That makes him very valuable to the 1977 team.

WINGBACK: Greg Hawthorne started for us as wingback for the last two years, and last year proved to be a solid performer at that position. I've already mentioned his versatility, and I expect him to have a great year wherever we end up playing him. The man who started for us all spring, because of Greg playing fullback, is young Bo Taylor. Bo has gained about ten pounds, and it has really helped him. He has great break-away speed and excellent hand and eye coordination. He is the type threat at wingback that makes the I Formation a solid formation. Squadman Greg Alexander will be behind Hawthorne and Taylor, and there are a couple of prospects coming in with the freshman group that can really give us some help.

WIDE RECEIVERS: I am personally very thankful that Tommy Davidson has one more year of eligibility. Tommy will serve as one of our co-captains, and has been a dependable, hard-working receiver. He is not blessed with an extraordinary amount of speed, but he is blessed with great determination and the skill and ability to run the correct pattern at the correct time. This position is basically wide open behind Tommy, although Lance Carr made some improvements during the spring, but the backup spot is totally up for grabs.

OFFENSIVE LINE: Graduation took its toll of our offensive line in 1976. The leader returning on the offensive line is Jon Kramer. This will be Jon's fourth year to start for us. He is a bonafide all conference performer, and in my estimation a true All-American contender. Helping Jon anchor down a young line is another fine athlete with some solid experience over the last two years, Ronnie Lee. David Sledge moves into the left guard position, vacated by Rell Tipton. David will do an excellent job for us at that position.

At offensive tackle, the battle is a little more wide open. Arland Thompson, who started five games for us as offensive center as a freshman last year, is competing at the left tackle spot with one of the fine young prospects in the conference, Mark Moore. Both of these guys have size and speed, and everything it takes to become truly outstanding.

At the opposite side of the line at the right tackle position, Brent Jones ended up the starter, but he will have to fight off Greg Zulkowski when the fall begins. Greg transferred in from Blinn Junior College and was injured in the first workout of the spring, so he missed his opportunity to win a starting berth. Greg is determined to gain one in the fall, and it should be a great battle for that right tackle position. Billy Glass and Andy Hazlewood give us backup help at the offensive guard positions, and Rhea Laws also will be battling one of the tackle positions. Rhea has improved and can help us next fall.

I have saved our trouble spot to the last. The offensive center position for the last two or three years has really created some problems because of injuries. Two days prior to the Houston game

in 1976, Ron Barnes, an upcoming sophomore, was our starting center. He was injured on that day, and never played a down in 1976. He and a red shirt sophomore, Gary Helzer, will battle for the starting position if Barnes is healthy. Otherwise, it is going to be up for grabs with a couple of squadmen and two outstanding freshmen joining the battle in August. That particular position concerns me more than any other, even our youth at quarterback and the lack of experience at linebacker. These do not concern me as much as our offensive center position.

TIGHT ENDS: Ronnie Lee intends to be the best offensive tight end in America in 1977, and when he tells me something I listen to him because he is about 255 lbs. and runs the 4.7 40. I have personally never coached a better blocker than Ronnie Lee. I have high expectations of Ronnie, but what is more important, he has high expectations of himself. Alvin Smith, freshman from last year's team, will be Ronnie's prime backup. He could receive some severe competition from Raymond Cockrell of Killeen.

Now let's take a look at the defense.

DEFENSIVE ENDS: Keavin McDonald and Cris Quinn have departed by graduation and that leaves our experience at defensive ends very thin. The old man of the group, Allen Stone, takes his fifth year, and his experience could be invaluable to us. Ricky Rand has had injury problems, but few athletes in our league have the athletic talent and potential that Ricky Rand has. Russell Slicker and Ron Eikenberg both made improvements over the spring and I expect good performances in 1977, but again we are lacking in experience.

DEFENSIVE BACKS: Fifty percent of that fine secondary a year ago has moved toward the professional ranks after graduating from Baylor. Scooter Reed, Ronnie Burns, Tony Green all return to give us a good nucleus. We moved Burns to the safety position and he took to it like a duck takes to water. He has shown excellent leadership throughout the spring, and was in fact elected one of our captains. I have great faith in Ronnie Burns at safety, and his type of play and experience give ability to our secondary. Tony Green will have sole possession of rover position this fall. He will be backed by Davy Duncan. The corner positions are manned by, of course, Scooter Reed, Steve Brothers and Howard Fields. Kenny Griffin will back up Ronnie Burns at safety. We also have a fine group of freshmen coming in to add strength.

Gary Green certainly will be difficult to replace, as will Mike Nelms, but we have a group of young men who will make us all proud in that defensive secondary.

LINEBACKERS: It is true that we have unproven men playing the linebacker position. The only player who has played a down in that position is Jerry Harrison. Jerry is the top defensive linebacker on our squad at the present time. He is joined at the linebacker position by Keith Jones, Jamey Rogers, Steve Rinaldo, and two junior college players, Paul Hurst and Dave Christie. We were fortunate to recruit some outstanding linebacker prospects for 1977, and they will be given an opportunity to earn a spot: Doak Fields, Mike Singletary and Gary Sills.

Although our linebackers are a big question mark, I have a lot of confidence that there will emerge out of this group some men to carry on in the tradition of the great linebackers we have had here at Baylor.

NOSEGUARDS: Gary Don Johnson made second team All American in 1976, and it was justly deserved. He is a true All American in every respect. Don improves every time he steps on the field. He is committed to excellence as a football player. He wants to be the best, and he has the tools to be the best, excellent speed, great size and tremendous work habits, all that add up to All American. Royal Stevens, a junior college transfer last season, is in the backup position behind Gary Don and will play a lot of football when we move to an even man front.

DEFENSIVE LINE: Gary Hutchison was one of the most improved football players on the squad this spring. He was voted one of the co-captains by his teammates, and he is looking forward to the 1977 season. He again is backed up by Thomas Brown, converted linebacker, who gets better every time he steps on the field. On the opposite side, James Rowell has moved into the number one defensive position, but don't overlook Tom Caldwell. Tom has experience, consistency and is an extremely capable defensive lineman. This is the best defensive line Baylor's had in my six years here.

PROBLEM AREAS: It doesn't take an expert to determine where we have problems. No experience at quarterback, very little experience at defensive linebacker, virtually a new offensive line and half our defensive secondary gone. We lost both experienced defensive ends, so overall the problem is a lack of experience. Before you take out the kleenex and dab your eyes, let me explain that though we have some problems in the area of experience, those problems could be solved rather quickly as the type of experience that this young ball club is going to get will be about the best one could get. We open with Texas Tech, a conference game, then we play Kentucky, one of the outstanding teams in the nation, to be followed by Nebraska, then the University of Houston who along with Tech were co-champions last year in our conference; then S.M.U. and Texas A&M, in my opinion one of the best teams in the nation. So there you have it—through six ball games these young guys can get all the experience they need. We are not void of talent, and this team will play well. They will make some mistakes, but they will do it aggressively and we are all going to be proud of them.

PLAYER COMMITTEE

Co-captains Gary Blair, Ron Burns, Gary Hutchison and Tommy Davidson head up a 13-man player committee that serves as a liaison group between the players and Head Coach Grant Teaff on matters of policy and discipline. The committee, elected by the players, includes:

Seniors: Tommy Davidson, Jon Kramer, Ron Burns, Gary Hutchison, Allen Stone and Gary Blair.

Juniors: David Seaborn, Steve Howell, Tony Green.

Sophomores: Greg Wood, Bo Taylor, Sammy Bickham.

At Large: Matt Murski.

COVERING THE BEARS

An outstanding group of newspaper, television and radio professionals give daily coverage to Baylor football and should be included on all mailing lists.

They are:

Waco Tribune-Herald—Sports Editor Dave Campbell, former president of the Football Writers Assn. and publisher of Texas Football Magazine; Sports Director Hollis Biddle who assists in coverage of football and personally covers Baylor basketball and track. Others covering the Bears are columnist-writers Mark McFarlane, Keith Randall and David Pickle.

KCEN-TV—Sports Director Scott Delucia

KWTX-Radio—Frank Fallon and Dave South

KWTX-TV—Steve Fallon and Frank Fallon

WACO-Radio—Sports Director Jim Miller

KRZI-Radio—Jim Pitts

Waco Citizen Newspapers—Tom Roberts

Woodway Dispatch

Baylor Lariat newspaper—Freeman Gregory, sports editor.

In addition, Goodson McKee is producer of a weekly statewide football radio show, "Pigskin Preview," during the season.

HEAD COACH GRANT TEAFF

Baylor Head Coach Grant Teaff professes to being an optimist, but it is inconceivable that even he could have predicted his accomplishments in five eventful years at the Baptist university.

National and Southwest Conference Coach of the Year, the first Southwest Conference championship at the school in 50 years, head coach of four major All-Star games, author of a best-selling autobiography and even an honorary doctorate degree are just a few of the honors heaped at the feet of the dynamic young mentor.

Ignoring his tremendous speaking ability, his manner of motivating youngsters to play beyond their capabilities, the selling job he does for Baylor University and for intercollegiate athletics, Teaff's biggest claim to fame may be his knack of healing sick football programs.

Take the last eight years he has coached major college football, for instance. At Angelo State University where he walked the sidelines before coming to Baylor, the school had never had a winning season and was plastered with an ignominious 7-43-1 record before his arrival. In three years he went 19-11, defeated the national champion NAIA team and was nationally ranked three times.

At Baylor University his achievements are even greater. In the previous three years before Teaff's arrival, the Bears had a 3-28 record card, and so far Teaff has gone 25-27-3 including the SWC championship in 1974, and has been nationally ranked four seasons, despite playing one of the nation's toughest schedules.

So, totalling it all up, in eight years Teaff has taken teams that previously had gone 12-71-1 and produced a 44-38-3 record. And, it was done by motivation, hard work and coaching ability, not mirrors.

In 1976 Teaff's Bruins, picked fifth by most pre-season polls, downed nationally-ranked Illinois, Auburn and South Carolina in non-conference play and, despite losing his 1100-yard ground gainer Cleve Franklin by injury, wound up fourth in conference play with losses only to co-champion Houston and Texas Tech and bowl pick Texas A&M. The Bruins held Texas to its lowest rushing total in history, 14 yards, in winning two of the past three games, and had a chip-shot field goal miss prevent them from downing Arkansas.

But, accomplishing the impossible has always been a Grant Teaff trademark since he began his career at his alma-mater, McMurry College, as the nation's youngest head coach. Taking over a team that had been at the bottom of small college football ranks, Teaff posted three strong seasons before the school dropped scholarships. A lesser person would have jumped ship, but Teaff felt an obligation to the youngsters he had recruited, and stayed three more seasons until he was able to get grants-in-aid restored.

In 1966 he was hired as assistant coach and recruiting coordinator at Texas Tech and in 1969 he undertook another challenge, moving to Angelo State University where the football program was at low ebb. He had consecutive 6-4 seasons, then moved to a 7-3, including a win over National NAIA champion Texas A&I when the Baylor opportunity presented itself, and he moved to Waco for another rebuilding chore.

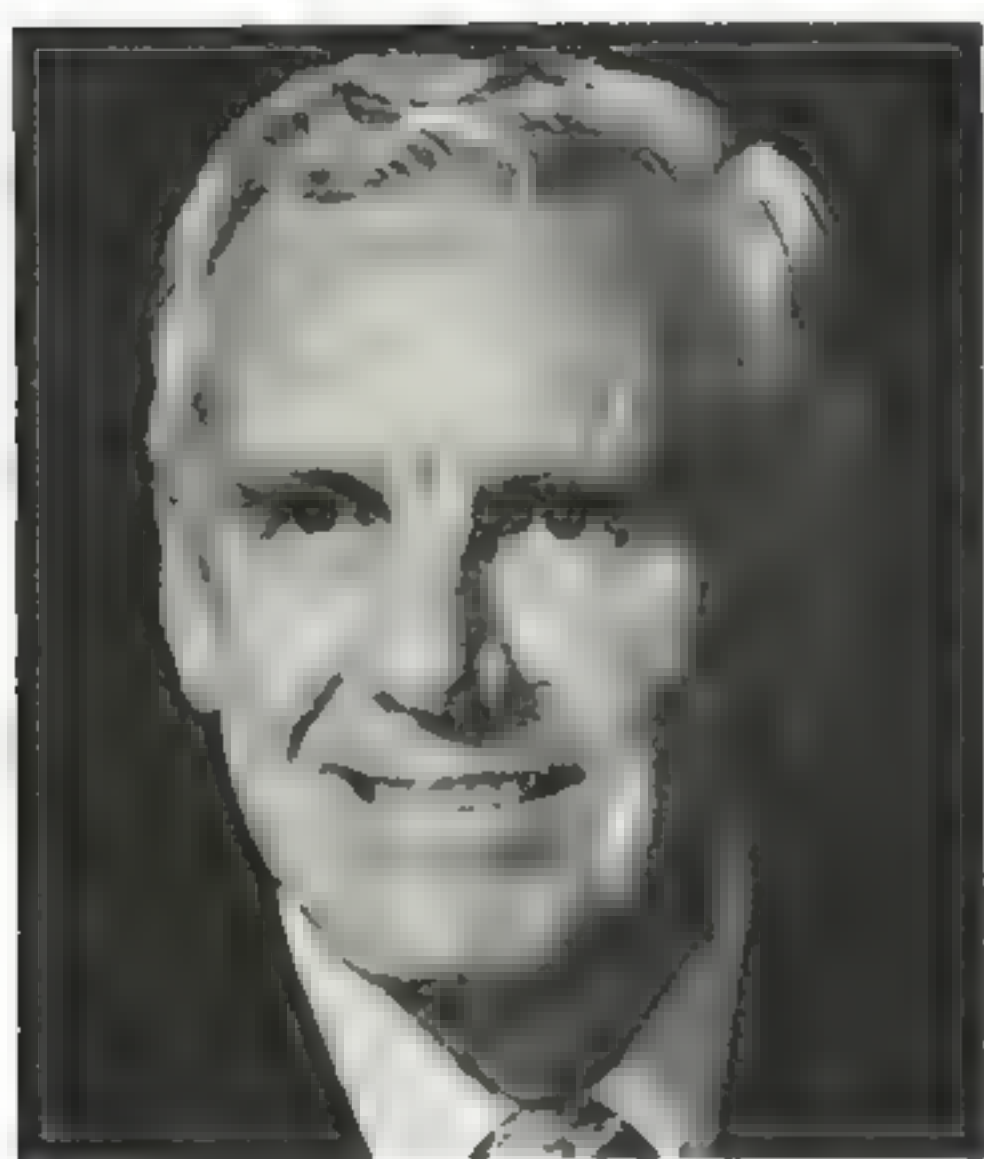

Teaff was an outstanding athlete at Snyder High School, being awarded the Carl Herod Trophy as the top athlete his senior year. He played two years of junior college football at San Angelo College, then was an All-Texas Conference linebacker-offensive tackle at McMurry. Upon graduation in 1956, he was assistant coach at Tom S. Lubbock High in Lubbock one season, then returned to his alma mater as assistant football coach and head track coach.

Teaff is married to former Texas Tech cheerleader, Donell Phillips of Plainview. The couple has three daughters, Tammy 20, Tracy 17 and Layne 11.

Teaff is one of the nation's most sought-after speakers. The Texas Baptist Convention made history in 1975 by electing Teaff as a vice president, one of the few times a layman has been accorded such honor, and he now serves as a national trustee of the FCA this year.

JACK PATTERSON

ATHLETIC DIRECTOR

A first-class athletic program must reflect the character, know-how and initiative of a first-class administrator, and Baylor University has a true champion in Jack Patterson.

Since returning to the Baptist campus in January, 1971 from the University of Texas where he served as head track coach and assistant athletic director, Patterson has made many innovative changes in the athletic department physical plant, and isn't satisfied yet.

New and improved office facilities, new and improved athletic dining facilities, a new athletic

dormitory wing, AstroTurf playing surface at Baylor Stadium, a new green CHEVRON 440 track surface at Baylor track, and Ferrell Memorial Field, the new baseball facility with carpeted dressing areas—all have come from the expert guidance of the lanky West Texas native who once served Baylor as its head track coach.

Patterson replaced an institution as athletic director at Baylor—the veteran Bill Henderson—after serving the school seven seasons as track coach. He won three Southwest Conference championships for the Green and Gold, then moved to Austin where he repeated the feat at the University of Texas.

"Coach Pat" graduated from Rice in 1939 and began an illustrious coaching career in his home town of Merkel in West Texas. He moved to San Angelo for three years during which the school won the state championship in football. He then returned to Merkel as coach of all sports in 1944 and one year later went to the University of Houston where he had a successful 11-year tenure as track coach and football aide. His sprint relay teams won national acclaim and in 1956 he was called to Baylor to head up the track program.

During his first Waco stay, Patterson's teams established 38 school records and captured three SWC crowns. He moved to Texas in 1963 and won his first title there in 1966. He closed out his coaching career with back-to-back championships in 1968 and 1969.

"I don't guess I'll ever get completely away from the field," Patterson said when he accepted the athletic director's position. "But, I can still glory in the work that my associates are doing and hope that by working together we can restore the Green and Gold to its rightful place in the athletic world."

Patterson is married to the former Lois Whiteley and points with pride to his two children, Mrs. David Sibley of Dallas and Dr. Jack C. Patterson, Dallas dentist, and his grandchildren.

RON HARMS

OFFENSIVE COORDINATOR

Ron Harms brought an impressive set of credentials with him when he joined Coach Grant Teaff's staff as an offensive backfield coach on March 1, 1976.

The personable 40-year-old Houston native had served as offensive coordinator for two-time National NAIA champion Texas A&I where his explosive maneuvers helped the Javelinas lead the nation in rushing in both 1974 and 1975. His 1975 unit led the nation in total offense with an average of 470 yards a game.

Harms was promoted to offensive coordinator in the winter of 1977.

"Ron made a tremendous contribution to our entire offensive program," Teaff noted. "He not only has an excellent knowledge of offensive football, but being a former line coach has that extra something that enables him to improvise and get the best out of every possible play."

Harms is a 1959 Valparaiso University graduate and received his Masters degree in education from Wayne State University. He has accumulated 131.5 quarter hours of work toward his doctorate.

Harms served as assistant football coach and track coach at Lutheran HS, Harper Woods, Mich., from 1959-62 and then joined the staff at Concordia College, Seward, Neb. He was named head coach at Concordia in 1964 and also served as athletic director.

In 1970 Harms was named head coach at Adams State College, Alamosa, Colo., and had the co-championship team in 1971 and the championship team in 1972. His record at the school was 21-14.

Harms joined Texas A&I as offensive coordinator in 1974.

Harms and his wife, Marlene, are parents of four children, Cynthia 16, Daniel 14, Elizabeth 11, and Joseph 7.

CLARK (CORKY) NELSON

DEFENSIVE COORDINATOR

Baylor defensive coordinator Clark (Corky) Nelson is a prime example that good coaches achieve success, regardless of the league or the competition involved.

The 38-year-old San Antonio native took over as boss of the defense in the spring of 1974 after leading John Tyler High School of Tyler to the Class AAAA state championship in 1973. The Bruin defense, which had taken its lumps the year before, developed into one of the finest in the Southwest and was an integral part of Baylor's march to the conference championship and berth in the Cotton Bowl, and produced NEA All-America linebacker Derrel Luce. Nelson's defense was among the top 10 in the nation most of the year in 1976.

Nelson, who once attended Baylor as a premed major, was no newcomer to collegiate coaching ranks, having worked with the defensive line and linebackers for two years at North Texas State University before moving to Tyler. At John Tyler his teams had a 26-8-1 record in three years.

Nelson graduated from Thomas Jefferson High School, San Antonio, in 1956. He spent the next two years at Baylor University as a premed major, then enrolled at Southwest Texas State College in San Marcos where he made All-Lone Star Conference center-linebacker in 1962. He received his bachelor's degree in January, 1963 and his master's degree the same summer. He served as track coach and first football assistant at Alamo Heights High School in San Antonio in 1964 and then was at San Antonio Harlindale two years as assistant and two years as head coach, compiling a record of 9-9-2 as head mentor.

Nelson is married to the former Mallory Raymond of Carlsbad, N.M. and is the father of three daughters, Tracy, 15, and twins, Carolyn and Kerie, 10.

FRANCIS (COTTON) DAVIDSON

QUARTERBACKS, RECEIVERS

Coach Grant Teaff hit the jackpot when he reached into the professional ranks to lure Francis (Cotton) Davidson to his Baylor staff. Not only did he get a man with vast college and professional playing experience, but one sought then (and now) as a pro coach. And, the bonus was that Davidson is a former Baylor star with ties to the alumni and supporters.

The Gatesville native is credited with the development of quarterbacks Neal Jeffrey and Mark Jackson and receivers such as Charley Dancer, Ricky Thompson,

Alcy Jackson, and Tommy Davidson.

Davidson declined an opportunity to remain with the Oakland Raiders as offensive coach to return to Baylor where he had previously been a member of John Bridgers' staff.

Davidson was an all-state quarterback who was redshirted at Baylor in 1950, then was a defensive starter in 1951. The next two years he was the starting quarterback, completing 127 of 312 passes for 1871 yards and 11 touchdowns. He was co-captain of

the West team in the Shrine East-West classic and played in the College All-Star game. He was the number one draft choice of the Baltimore Colts and started three games as a rookie in 1957 as alternate behind Johnny Unitas. He went to the Canadian League and played one year before injuring a shoulder and in 1959 came to Baylor where he helped John Bridgers install the Colt offense. In 1960 he joined the Dallas Texans and made the all-star team and was voted the all-star game's most valuable player. He went to Oakland in 1962 and made the 1963 all-star team. He remained active until reinjuring his shoulder in 1966 and finished out his career as player coach and scout.

He is married to Baylor-ex Carolyn Mabry. The couple has two sons, Tommy, 20, senior letterman split receiver at Baylor, and Ty, 13, and two daughters, Kelly, 19, a BU sophomore, and Tracy, 16.

JIM ELAM

DEFENSIVE SECONDARY

Jim Elam, former NAIA All-American defensive back at New Mexico Highlands and later assistant coach at Rice University and West Texas State University, joined the Baylor staff in July, 1977, as assistant defensive secondary coach.

The 31-year-old Kingsville native has coaching credentials far beyond his years. He served as graduate assistant at his alma mater in 1969 spring training, was defensive coordinator at Artesia, N. M. High School from 1969-1972 and joined the Rice staff as graduate assistant in 1972. He served as freshman coach in 1973 and then coached receivers and linebackers in 1974 and 1975 before joining the staff at West Texas State for one year as defensive coordinator.

Elam is married to the former Jane Thames. He will recruit in the Houston and Rio Grande Valley areas.

BILL HICKS

DEFENSIVE LINE

The son of a Baptist minister, a former Baylor All-Southwest Conference center and academic All-America, William Douglas (Bill) Hicks is right at home as defensive line coach for Grant Teaff.

The Arkansas native who was named center on the "All 1960's" decade team at Baylor has known nothing but success as a player and coach. His Little Rock Central High School team had a 33-game winning streak when he was the all-state center and he was all-SWC in 1959, 1960 and 1961 for the Bruins. After graduation Hicks spent two years as assistant coach for the freshman team as a graduate student, then went to Texas A&I where he was a varsity assistant until 1966 when he joined Jim Carlen's West Virginia staff. In 1969 he was brought back to Baylor by Bill Beall and was one of three holdovers retained by Teaff when he took over.

Hicks played in the 1960 Gator Bowl and the 1961 Gotham Bowl and in the North-South All-Star game after his senior year. Married to the former Iris Neill of Midland, Hicks has four children, Janie, 12, Doug, 10, Wendy, 7, and Clint, 5.

BILL LANE

OFFENSIVE LINE COACH

Defensive end coach Bill Lane believes in Grant Teaff and Baylor University. He believes to the extent that when Teaff left Angelo State University to take the Bruin position, he recommended Lane as his successor. Lane was offered the job, but decided to follow Teaff, "a man I can work for every day and feel that I don't have to compromise a thing."

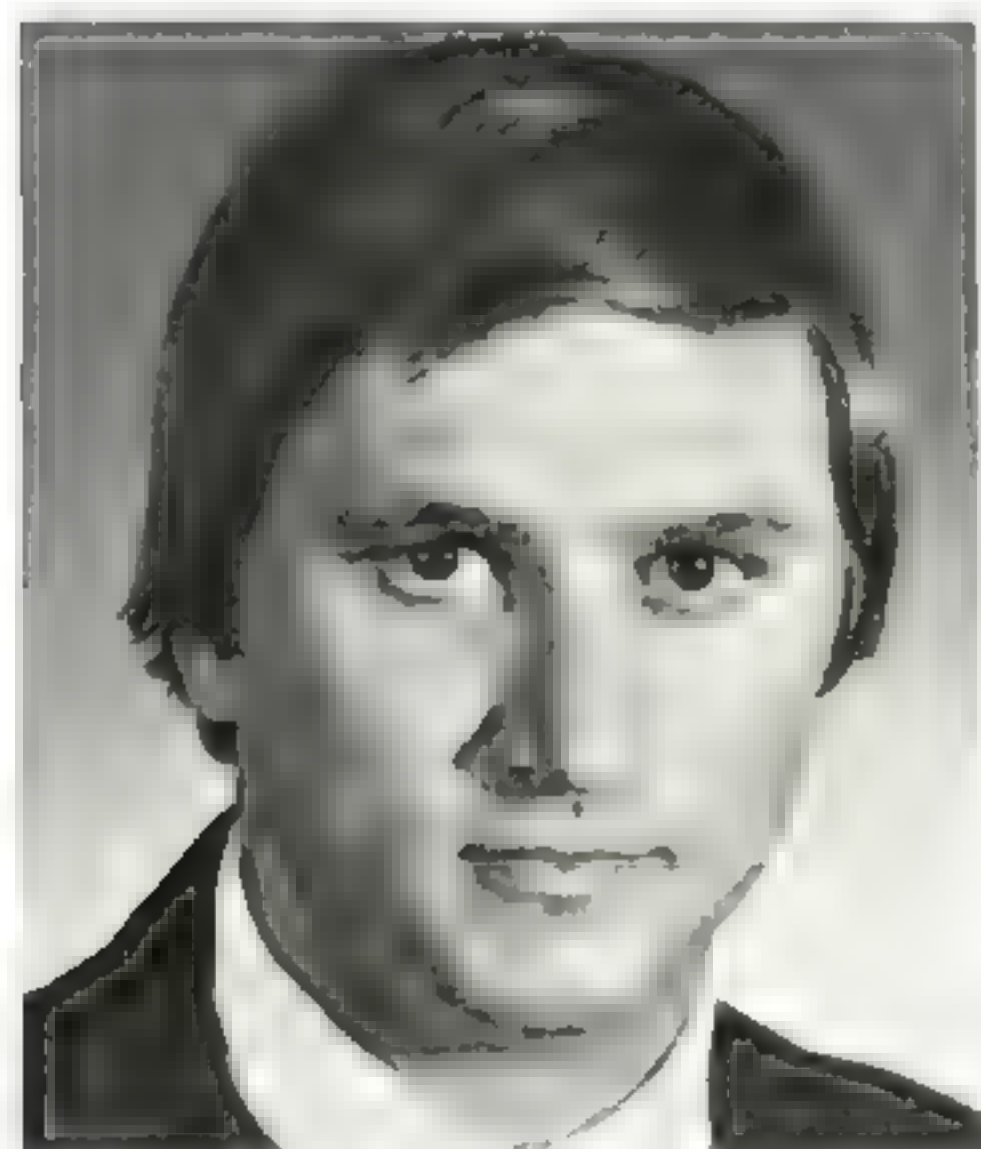

The Denison native is another member of Teaff's team to wear a Balfour ring symbolic of winning a state championship in the rugged Texas high school ranks. His 1968

Daingerfield team won the Class AA title before he joined Teaff in the rebuilding job at Angelo State. His record the last three years at Daingerfield was an impressive 37-5.

A former all-district lineman at Denison, Lane played two years at San Angelo College then went to Stephen F. Austin where he picked up two letters. He was assistant at Daingerfield seven years and was head coach five years. He is married to the former Barbara Stanfield of Tyler and the father of two sons, Kirk, 19, a Baylor student athlete, and Kyle, 14. Recruits in Dallas-East Texas area.

BILLY MILLS

DEFENSIVE ENDS

"My dad told me if I ever wanted to play football I would have to know everybody's position as well as mine," says Billy Mills, defensive end coach. A look at his records shows Mills to be an excellent student.

As quarterback at Killeen High School, Mills went 16-3-1; at Blinn Junior College, again as helmsman, he led a 10-0 team to second in the nation, and as a graduate assistant in 1974, he was part of Baylor's conference championship coaching squad.

He owns an associate arts degree from Blinn, and a B.S. in Business and P.E. at Baylor. He is married to the former Carol Smalley. He recruits East Texas.

JOHN O'HARA

OFFENSIVE LINE COORDINATOR

Dynamic young John O'Hara coaches like he played football, giving 110 per cent all of the time. Mature beyond his years but with the intensity and excitement of a teenager, he is one of the most popular members of Coach Grant Teaff's Baylor staff and one of the top line coaches in the nation.

O'Hara joined the staff just in time for fall drills in 1973, coming to Baylor from Midland Lee High School where he had served as offensive coordinator for two years.

O'Hara is a native of Elk City, Okla, where he was an all-state cen-

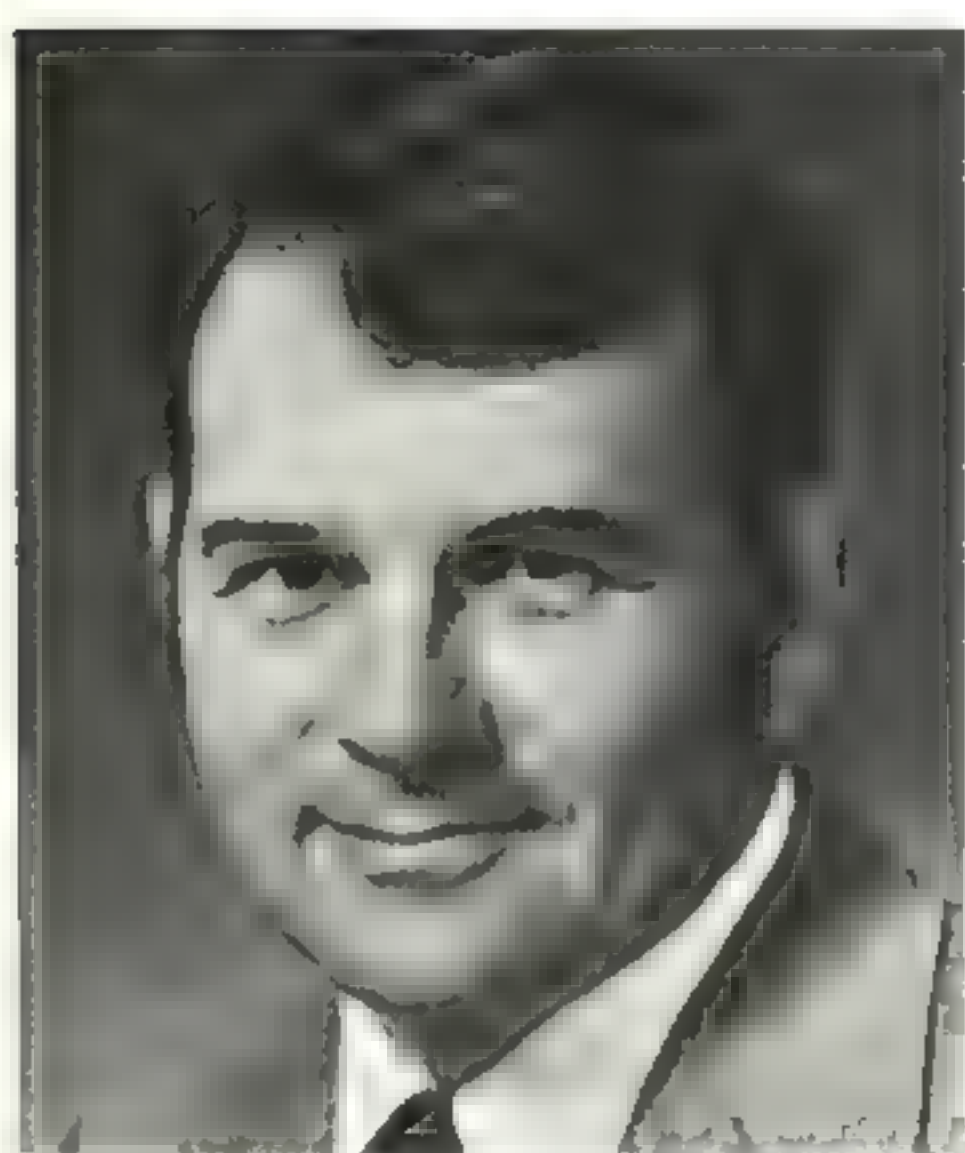

ter-linebacker. He played freshman football at Oklahoma University in 1963, then transferred to Panhandle State College at Goodwell, Okla., where he captained the football team three years and was all-conference both ways for three seasons. He was voted the conference's outstanding athlete as a senior and graduated in 1967.

O'Hara was head coach at Mangum, Okla., High School in 1967, then joined the staff at Amarillo Palo Duro where he served three seasons as linebacker coach and offensive line coach. He moved to Midland Lee in 1971 where he was line coach and offensive coordinator.

O'Hara and his wife, Sandra, are parents of two sons, Chad, 10, and Koby, 7, and a daughter, Shelley, 2½

WADE TURNER

DEFENSIVE BACKFIELD

Wade Earl Turner has had the top secondary in the S.W.C. three of the last five years. He has coached three all-SWC backs and one consensus All-America in his great Baylor career.

The Brady native was one of the first persons Grant Teaff contacted when he accepted the Baylor job. "Wade and I have coached together a long time, we share the same coaching philosophy," Teaff said.

Turner was an all-district running back at Brady High School. He played three years at San Angelo

College, making all-conference in 1955. He transferred to Stephen F. Austin where he played halfback in 1957 and 1958. He received both his bachelor's and master's degrees in 1959 and immediately joined the Angelo State staff as football assistant, baseball and track coach. He and Teaff joined forces in 1969 and he was defensive coordinator in 1970 and 1971 as the Rams led the conference in rushing defense one season and were second the next. His golf team won the crown in 1971 and placed eighth nationally.

Turner and his wife, Madonna, are parents of two children, Kimberly, 15, and Allison, 12. He recruits in the Gulf Coast-South Texas area.

T. C. (SKIP) COX

HEAD ATHLETIC TRAINER

When the Baylor Bears started searching for a trainer in February, 1973, they went after the best . . . and landed him. Not only was T. C. (Skip) Cox president of the Southwest Athletic Trainers Association and head athletic trainer at North Texas State, but he had the patient personality so necessary for the position.

Cox worked as student manager while an undergraduate at North Texas State, receiving his degree in 1965. He was trainer for two years at Amarillo Palo Duro (1965-67) and at Odessa High School during the

1967-68 school year. He was in his fifth year as head trainer at North Texas State University when he accepted the Baylor position.

Cox and his wife, Kay, are parents of two daughters, Shannon, 13, and Gailey, 8, and three sons, Troy, 11, Kyle, 10, and Jeffrey, 5.

DAVID TAYLOR

BUSINESS MANAGER, ASSISTANT ATHLETIC DIRECTOR

David Taylor, who joined the Baylor athletic department as a student worker in 1969, now serves as assistant athletic director and business manager.

The 28-year-old Pampa native graduated from Baylor in 1972 and served as administrative assistant to Athletic Director Jack Patterson from May, 1972 until May, 1974 when he received his CPA certificate and entered private business in Waco. He returned in April, 1975 to the newly-created position of assistant athletic director-business

manager.

Taylor is married to the former Brenda Ross of Waco, a 1971 cum laude graduate of Baylor, and is father of Mary Katharyn, 8 months old.

M. A. (CATFISH) SMITH

PROMOTION DIRECTOR

M. A. (Catfish) Smith heads up the Baylor Bear Club Booster organization, is promotion man for the entire athletic department and an avid civic leader, serving as mayor of Waco.

The personable, pencil-thin former Texas high school coaching great served as freshman coach for nine seasons.

Catfish really needs no introduction to Texas sports fans. He was a legend as a high school mentor at Carey, Borger, Longview, and Mt. Vernon and posted 26 straight wins over a three-year period. At Carey

his team won the state championship and Catfish is one of the few men who ever went undefeated in an entire high school basketball season, achieving this feat at Mt. Vernon in 1948 as they won the state title. In 1947 his Mt. Vernon football team also was undefeated.

Smith is a past president of the Texas High School Coaches Association and was honored as coach of the year in 1953 by the Texas Sports Writers Association.

Catfish and his wife, Dot, are parents of two sons, Ronnie and Jimmy.

10 BEARS PICKED UP BY PROS IN '77

Six members of the 1976 Baylor football team were selected in the first eight rounds of the NFL pro draft and four others signed free-agent contracts.

Drafted were defensive back Gary Green (1st round, Kansas City), Offensive Tackle Gary Gregory (5th round, New York Jets), Offensive Guard Rell Tipton (7th round, Green Bay), Linebacker Tim Black (7th round, Detroit), Defensive Back Mike Nelms (7th round, Buffalo) and Running Back Cleve Franklin (8th round, Philadelphia).

Signing free-agent contracts through late May were Split Receiver Alcy Jackson (Chicago Bears), Offensive Tackle Mark Grayless (New York Jets) and Quarterback Mark Jackson and Tight End David Stephen, Canadian League.

Already established in the pros from Grant Teaff's player group are Linebacker Derrel Luce and Split End Ricky Thompson with the Baltimore Colts, Running Back Pat McNeil with Kansas City, QB Neal Jeffrey with San Diego and Defensive Lineman Leslie Benson with the Dallas Cowboys. In the Canadian League are Running Back Steve Beaird and Linebacker Roger Goree.

BASKETBALL OUTLOOK — 'CAUTIOUSLY OPTIMISTIC'

Armed with one of the greatest recruiting sweeps in Baylor basketball history, Jim Haller begins his first full year as head basketball coach at Baylor "cautiously optimistic."

The gentlemanly Haller, whose coaching philosophy begins and ends with discipline, has two starters, Larry Spicer and Arthur Edwards, returning from last year's miracle finishers who battled their way into the Southwest Conference post-season tournament. Also returning are part-time starters Russell Oliver and Larry Rogowski along with George Jones.

Haller's newcomers are indeed impressive. These include All-American guard Vinnie Johnson from McLennan Community College, Mike Little from Howard County JC, who made all-conference as a freshman last season, Wendell Mays, all-conference from Tyler JC, Marty Zeller of New Mexico Military JC, another all-conference selection. Charles Stanley of San Antonio Lee, Rex Johnson of Clear Lake, Pat Nunley of Fort Worth Richland and Charlie Jackson of Louisville, Ky., are all outstanding high school performers of last season who have bright futures ahead of them at Baylor.

Working with Haller this year are two outstanding assistant coaches, former Bruin All-SWC performer Roy Thomas and newcomer Tommy Newman, who had outstanding success at Fort Worth Richland HS and is a two-time president of the Texas High School Basketball Coaches Association.
